Round 1: 8:30 AM

We will operate on a floating schedule, i.e. Ring 2 could be on Round 1 but Ring 4 might already be on Round 2. Please stay close to your competition ring while waiting for your competition. Once one round has finished in a ring OR A DIVISON HAS NO COMPETITORS it will move right on to the next round.

**DON'T MISS YOUR RING – WE ARE NOT WAITING; WE ARE NOT CALLING DIVISON TO COMPETE!**

# ATA SE DISTRICTS 2025

**Congratulations to all who have worked hard all season long earning their chance to compete for the title of DISTRICT CHAMPION 2025 at the SE District Championships in Duluth, GA!**

Here are a few guidelines:

- **All competitors must check in** ahead of their competition. This will ensure that we know you are here, and you are listed in the correct division.
- All **Black Belts age 15 & up MUST check in for their JUDGING or RING HELPER ASSIGNMENTS** in the morning!
- Unlike at regional tournaments, **we are not calling your division to compete** unless we have a ring change for your particular division. The competition assignments clearly state what **ROUND** and what **RING** you compete in.
- We are operating on a **floating schedule**. This means that once one division has finished their competition, the next division will start competing. We will, however, announce a missing competitor's name twice before the ring begins and then again, every time it would be the competitor's turn to compete.
- A floating schedule also means that one ring could be already on round 3 while another ring is still finishing up round 1. So please make sure you **check on your competition ring's progress**.
- **SPLIT DIVISIONS:** If a division was too large to have everyone compete in one ring, that division got split.
  - ✓ Competitors of a split division will stay in their split for all traditional events.
  - ✓ Each split ring will go through the regular competition process for each event.
  - ✓ After each event, the best competitor of each split ring will compete for the title of District Champion with a new set of judges.
    - If the division was split in 2 then there is one District Champion and one 2<sup>nd</sup> place. The runner ups of the individual splits will receive a 3<sup>rd</sup> place medal.
    - If the division was split into 3, then there is one District Champion and two 2<sup>nd</sup> places.

We wish everyone the best of skills! Remember that we are all volunteers doing our best to provide a positive experience for all involved, competitors, judges, and spectators alike. We appreciate all of you for making this event spectacular!
